### About LogicMark

**LogicMark, Inc.** (NASDAQ: LGMK) (formerly Nxt-ID, Inc.) provides personal emergency response systems (PERS), health communications devices and IoT technologies to create a connected care platform. The company's devices give people the ability to receive care at home and confidence to age in place. LogicMark revolutionized the PERS industry by incorporating two-way voice communication technology directly into its medical alert pendant and providing this life-saving technology at a price point that everyday consumers could afford. LogicMark's PERS technologies are sold through the United States Veterans Health Administration and dealers/distributors. The company was awarded a contract by the U.S. General Services Administration that enables the company to distribute its products to federal, state and local governments.
