

## **LogicMark to Participate in the Healthcare IT Virtual Conference Part II Presented by Maxim Group LLC and hosted by M-Vest on Thursday, June 1st**

May 31, 2023

LOUISVILLE, Ky., May 31, 2023 (GLOBE NEWSWIRE) -- LogicMark, Inc. (Nasdaq: LGMK), creator of the most innovative personal safety and security technology designed for the care economy, announced today that its CEO, Chia-Lin Simmons, has been invited to present at the Healthcare IT Virtual Conference Part II, presented by Maxim Group LLC and hosted by M-Vest, on Thursday, June 1<sup>st</sup>, 2023, at 9:00 a.m. ET.

Allen Klee, Research Analyst at Maxim Group, sits down with Healthcare IT companies to discuss solutions to improve health care outcomes and lower costs. The healthcare system faces pressure from labor shortages, higher costs, lack of transparency, and managing reimbursements. This conference highlights companies that provide solutions with the use of telehealth, at-home monitoring, specific chronic conditions treatment programs, marketplaces that create better pricing, and use of AI.

This conference will be live on M-Vest. To attend, sign up to become an M-Vest member here: <https://m-vest.com/events/healthcare-it-06012023>.

### **About LogicMark, Inc.**

LogicMark, Inc. (Nasdaq: LGMK) is on a mission to let people of all ages lead a life with dignity, independence and the joy of possibility. LogicMark provides personal emergency response systems (PERS), health communications devices, personal safety apps, services and technologies to create a Connected Care Platform. Made up of a team of leading technologists with a deep understanding of IoT, AI and machine learning and a passionate focus on understanding consumer needs, LogicMark is dedicated to building a 'Care Village' with proprietary technology and creating innovative solutions for the care economy. The Company's medical alert pendants revolutionized the PERS industry by incorporating two-way voice communication technology directly into its medical alert pendant, providing this life-saving technology at a price point everyday consumers can afford and the ability to receive care at home and confidence to age in place. The Company's PERS technologies are sold through the United States Veterans Health Administration and dealers/distributors. LogicMark has been awarded a contract by the U.S. General Services Administration that enables the Company to distribute its products to federal, state, and local governments. ### **Forward-Looking Statements**

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements reflect management's current expectations, as of the date of this press release, and involve certain risks and uncertainties. Forward-looking statements include statements herein with respect to the reverse stock splits described above and the successful execution of the Company's business strategy. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of various factors. Such risks and uncertainties include, among other things, our ability to establish and maintain the proprietary nature of our technology through the patent process, as well as our ability to possibly license from others patents and patent applications necessary to develop products; the availability of financing; the Company's ability to implement its long range business plan for various applications of its technology; the Company's ability to enter into agreements with any necessary marketing and/or distribution partners; the impact of competition, the obtaining and maintenance of any necessary regulatory clearances applicable to applications of the Company's technology; the Company's ability to maintain its Nasdaq listing for its common stock; and management of growth and other risks and uncertainties that may be detailed from time to time in the Company's reports filed with the SEC.
