The commercial focuses on Wocket's ability to replace all the cards in your wallet and keep your identity secure.

The original version of the commercial has had just under 400,000 views on YouTube.com and has been broadcasted nationally and regionally on CNBC prime-time air spots as part of the Wocket branding in the US.

Gino Pereira, Chief Executive Officer said, "We are continuously using broadcast and digital venues to educate our potential customers on what the real value of owning a Wocket is; it becomes your own personal vault with all of your credit cards, loyalty cards, passwords and any other personal info you want to store. Wocket can store your identity and keep it secure; it's much more than just a payment technology."

Wocket® is the smartest wallet you'll ever own. Designed to protect your identity and replace your old wallet, simply swipe and save your cards into Wocket once and they are immediately secured with pin and biometric voice print technology. Without ever needing a smartphone, you can choose a card from the touch screen and Wocket programs its single, smart card (Wocket Card) to match your selection. From there, you just swipe as you normally would virtually anywhere that credit cards are accepted today.

All your credit, debit, loyalty, gift, ID, membership, insurance, medical information, passwords, and virtually any other information can be protected on Wocket®.
