About NXT-ID

NXT-ID is an emerging growth technology company that is focused on products, solutions, and services for security on mobile devices. Our core technologies consist of those that support digital payments, biometric identification, encryption, sensors, and miniaturization. We have three distinct lines of business that we are currently pursuing: mobile commerce, primarily through the application of secure digital payment technologies; biometric access control applications, and Department of Defense contracting. Our initial efforts have primarily focused on the development of our secure products for the growing m-commerce market, most immediately, a secure mobile electronic smart wallet, the Wocket®. The Wocket® is a smart wallet, designed to protect your identity. <http://nxt-id.com/> , <http://wocketwallet.com/>
