

NXT-ID, Inc. Added to LD Micro Index

February 13, 2018

MELBOURNE, Florida, February 13, 2018 /PRNewswire/ --

NXT-ID, Inc. ([NASDAQ: NXTD](#)) a provider of payment, credential management, and authentication platform services is pleased to announce it has been added to the LD Micro Index, effective February 1st, 2018.

The LD Micro Index is designed to give the most accurate representation of the intraday activity of microcap stocks in North America. It employs a mixture of screening for inclusion and manual exclusion where deemed appropriate.

The index is market cap weighted and is comprised of approximately 1,014 stocks in the U.S. and Canada with market capitalizations between \$50 million and \$300 million. <https://www.ldmicro.com/the-index>

Gino M. Pereira, President & Chief Executive Officer of NXT-ID said, "This is an exciting time to be added to the LD Micro Index and join our other successful peers in the microcap space. The Company and its subsidiary, Fit Pay, Inc., have announced a series of significant agreements and advancements in the contactless payment market including the recent news that Fit Pay is expanding its platform to connect cryptocurrencies to the payment ecosystem with a new product - Flip."

Flip™ is a contactless payment device that lets one use their cryptocurrency to make purchases at millions of retail locations. Flip works anywhere where contactless payments are accepted. <https://www.fliptopay.com/>. Pre-orders for Flip on [FliptoPay.com](https://www.fliptopay.com/) will commence later this month.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. We are investors, first and foremost. What started out as a newsletter highlighting unique companies has transformed into several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LD Micro launched ldmicro.com as a portal to provide exclusive intraday information on the entire sector, including the first pure microcap index (LDMi) which covers stocks in North America with market capitalizations between \$50-\$300m.
