Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 8, 2024, LogicMark, Inc. (the “Company”) received a written notification from The Nasdaq Stock Market LLC (“Nasdaq”) indicating that the Company was not in compliance with Nasdaq Listing Rule 5550(a)(2) (the “Minimum Bid Price Requirement”), as the Company’s closing bid price for its common stock, par value \$0.0001 per share (“Common Stock”), was below \$1.00 per share for the prior thirty (30) consecutive business days.

Pursuant to Nasdaq Listing Rule 5810(c)(3)(A), the Company has been granted a 180-calendar day compliance period, or until November 4, 2024 (the “Compliance Period”), to regain compliance with the Minimum Bid Price Requirement. During the compliance period, the Company’s shares of Common Stock will continue to be listed and traded on the Nasdaq Capital Market. If at any time during the Compliance Period, the bid price of the Common Stock closes at or above \$1.00 per share for a minimum of ten (10) consecutive business days, Nasdaq will provide the Company with written confirmation of compliance with the Minimum Bid Price Requirement and the matter will be closed.

If the Company is not in compliance by November 4, 2024, the Company may be afforded a second 180-calendar day compliance period. To qualify for this additional time, the Company will be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for Nasdaq with the exception of the Minimum Bid Price Requirement, and will need to provide written notice to Nasdaq of its intent to regain compliance with such requirement during such second compliance period.

If the Company does not regain compliance within the allotted compliance period(s), including any extensions that may be granted by Nasdaq, Nasdaq will provide notice that the Common Stock will be subject to delisting from the Nasdaq Capital Market. At that time, the Company may appeal any such delisting determination to a Nasdaq hearings panel.

The Company intends to continuously monitor the closing bid price for its Common Stock, and is in the process of considering various measures to resolve the deficiency and regain compliance with the Minimum Bid Price Requirement. However, there can be no assurance that the Company will be able to regain or maintain compliance with the Minimum Bid Price Requirement or any other Nasdaq listing standards, that Nasdaq will grant the Company any extension of time to regain compliance with the Minimum Bid Price Requirement or any other Nasdaq listing requirements, or that any such appeal to the Nasdaq hearings panel will be successful, as applicable.

Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K (this “Form 8-K”) contains forward-looking statements. Such forward-looking statements include, but are not limited to, statements that express the Company’s intentions, beliefs, expectations, strategies, predictions or any other statements related to the Company’s future activities, or future events or conditions, including those related to future compliance with the Minimum Bid Price Requirement, which can be identified by terminology such as “may,” “will,” “expects,” “anticipates,” “aims,” “potential,” “future,” “intends,” “plans,” “believes,” “estimates,” “continue,” “likely to” and other similar expressions intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. These statements are not historical facts and are based on current expectations, estimates and projections about the Company’s business based, in part, on assumptions made by its management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict, many of which are beyond the Company’s control, including risks related to the Company’s ability to regain compliance with Nasdaq listing standards, the Company’s ability to obtain an additional compliance period, if needed, the Company’s ability to take actions that may be required for its continued listing on Nasdaq, the Company’s current liquidity position and the need to obtain additional financing to support ongoing operations, and other risks that may be included in the periodic reports and other filings that the Company files from time to time with the U.S. Securities and Exchange Commission. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in the forward-looking statements. Any forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date of this Form 8-K, except as required by applicable law.
